The undersigned does hereby certify that 1) the undersigned, and not East Central Energy, is solely responsible for the accuracy of the information contained in this application, 2) all rules of the rebate program have been followed, and 3) the installation is complete. Further, the undersigned acknowledges that nothing contained in the application shall impose any liability on East Central Energy for the work performed and information presented by the customer's engineer, contractor, or vendor.

Warranty Information

Rebate qualifications do not imply any representation or warranty of such equipment, design, or installation by East Central Energy. East Central Energy shall not be responsible or liable for any personal injury or property damage caused by this equipment. East Central Energy does not guarantee that a specific level of energy or cost savings will result from the implementation of energy conservation measures or the use of products funded under this program. In no event shall East Central Energy be liable for any incidental or consequential damages.

Other Important Program Rules

1. Installation must be complete before funds will be issued for the rebate.
2. Customers and vendors must submit itemized equipment invoices along with rebate applications, and worksheet to East Central Energy. To ensure that the equipment installed meets East Central Energy's performance standards, these invoices must itemize labor charges, quantity and price of the equipment installed, and information regarding the manufacturer and model numbers for all equipment included in the rebate.
3. East Central Energy reserves the right to conduct random inspections of installations.
4. The customer is responsible for checking with East Central Energy to determine whether funding is available and to verify program parameters.
5. The maximum rebate amount shall be the lesser of 50% of the project cost or \$100,000.
6. Rebate must comply with all program specific rules and qualifications (see complete list of rebate specific rules).
7. Qualifying customers must apply for year 2010 rebates no later than November 30, 2010.

New and Retrofit Premium Efficient Motor 2010 Rebate Application**

Qualifying Customers

This program is applicable to commercial/industrial and agricultural customer members of East Central Energy.

Rebate Program Guidelines

East Central Energy offers cash rebates to qualifying member customers who purchase and install qualifying new motors (not rewound or repaired motors) in new or retrofit applications.

Specific Rules and Qualifications

1. Rebates will apply only for **new premium efficiency motors** (not rewound or repaired motors) for new or retrofit installations only.
 - Rebates for retrofit applications are only available where a non-NEMA premium efficient motor existed and a new NEMA premium motor will take its place.
2. Rebates apply to motors from 1 hp to 200 hp when they meet or exceed premium efficiency standards and offer the following features:
 - AC Polyphase induction motor
 - Squirrel cage rotor design
 - NEMA design B torque characteristics
 - Synchronous speeds of 3600, 1800, 1200 rpm
3. The nameplate of the new motor must clearly state the National Electrical Manufacturers Association (NEMA) nominal **premium efficiency** in order to qualify for rebates.
4. Motors greater than 200 hp must be evaluated with the Custom Energy Rebate program. The Custom Energy Rebate requires review and approval by the participating member cooperative and Great River Energy.
