

President/CEO

East Central Energy, Braham, MN is a member-owned electric cooperative providing electric, internet and long-distance services to homes, farms and businesses in east central Minnesota and northwestern Wisconsin. Formed in 1936, we currently serve more than 57,000 homes, farms and businesses in 14 counties, which makes us Minnesota's oldest and third largest member-owned electric cooperative.

Due to a retirement, the East Central Energy Board is seeking to fill the position of **President/CEO**. Candidates should have broad leadership experience and skills related to member relations, human resources, finance and operations.

To qualify, candidates must have a Bachelors degree (MBA preferred), and at least 10 years of related experience in a leadership role. Electric utility or member driven association experience a plus. The successful candidate must be skilled at strategic thinking and leadership with strong abilities in planning, organization, relationship management and communications.
