ONE great program

Caring Members is a program to assist the elderly, disabled, or a family-in-need to pay their energy bills through winter's coldest days.

Your donation will be matched by ECE.

Fuel assistance agencies serving East Central Energy's service area administer the Caring Members funds, making sure your contribution is shared with local families who need it most.

Even **\$1** a month can bring relief from the long, cold winter for someone in need.

ONE easy step

Call 1-800-254-7944 today to make your tax-deductible donation, or complete this form and enclose it with your ECE bill payment, or mail to East Central Energy, c/o Caring Members, P.O. Box 39, Braham, MN 55006.
