

ENERGY-SAVING WATER KIT ORDER FORM

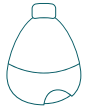

Save more than just water.

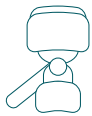

Take control of your home energy costs with an Energy-Saving Water Kit. Each item included in the kit takes only minutes to install, but your energy savings can be measured for years to come.

A \$40 Energy-Saving Water Kit for only \$5!

KIT INCLUDES

The Earth™ Massage Showerhead saves about 40 percent more water and energy than a standard showerhead.

The Kitchen Swivel Aerator saves about 30 percent more energy and water.

Two Bathroom Faucet Aerators maintain great water pressure while saving about 55 percent more water and energy.

The Hot Water Temperature Card measures the temperature of hot tap water to see if your current water temperature is in a cost-efficient range. *(For off-peak Storage Water Heating systems, call ECE before adjusting water temperature settings.)*

Plumber's Tape creates a tight seal between connections when installing showerheads and aerators.

Place your completed order form and a \$5 check or money order, payable to Niagara Conservation Corp., in an envelope and mail to:

Niagara Conservation Corp.
Attn: Great River Energy Kit Offer
P.O. Box 501
Cedar Knolls, NJ 07927

Allow 2-4 weeks for delivery.

Orders can also be placed online at eastcentralenergy.com. Use promo code ECE951.

Offer good until December 31, 2012.

(Great River Energy is ECE's power supplier.)

Please send me the Energy-Saving Water Kit! (To receive this \$40 value for only \$5 you must be a member of ECE and use electricity to heat your water.)

I'm a member of East Central Energy. YES / NO

I heat my water with electricity. YES / NO
