COMMUNITY FOCUSED

Dear applicant,

Thank you for your interest in the East Central Energy (ECE) 2024 COOPx contest. To be eligible to attend COOPx, your parent/guardian must be an ECE member and you must be a high school sophomore, junior, or senior.

Please complete the attached application, then either write an essay (of at least 400 words) OR provide a video essay. Your response should answer the following questions: (1) In your adult life, how do you see yourself contributing to the success of your community? (2) If you worked at ECE, how would you help the cooperative contribute to your community?

After judging, the applicants receiving the highest scores will be asked to meet in Braham for an interview. The four winning students will spend the day at ECE on October 17, 2024, meeting with executives, engaging with department employees, touring the co-op, and visiting field personnel. Lunch and snacks will be provided. The selected students will also receive \$500 scholarships to be used for continuing education!
